

Diamond Bar High School

International Baccalaureate Diploma Program
21400 E. Pathfinder Road • Diamond Bar, CA 91765
909-594-1405 • Principal Catherine Real

8th grade students and parents-

You are cordially invited to an informational meeting explaining three exciting Diamond Bar High School programs:

- The International Baccalaureate Diploma Program
- The Brahma Technology Academy
- The Performing Arts Academy

To learn more about these academic opportunities please attend one of the following two meetings:

- Diamond Bar High School–Tuesday January 28, 2014
- Chaparral Middle School –Thursday January 30, 2014

The meetings will begin at 7pm. Both parents and students should attend.

All three programs require a timely application. If you miss the information session, you may miss your opportunity to apply!

Visit www.dbhs.org for more information about all the exciting opportunities for students at Diamond Bar High School!

Please check your residency at <http://residence.dbhsib.org>. Your application to the IB program at Diamond Bar High School does not determine which high school you will attend; the location of your house or apartment does. Parents and students who live in the Walnut High School residence area should attend one of the Walnut High School IB information meetings in the WHS theatre on January 28 and February 4. These meetings begin at 6:30 pm.

If you do not live within the boundaries of the Walnut Valley Unified School District, you may not be assigned to a high school until May 2014. You should apply now to either the Diamond Bar High School IB prep program or the Walnut High School program (apply to one, not both). Follow the deadlines set by the school to which you are applying. Once the district assigns you to a high school, you can easily transfer your prep application to the correct school by contacting the IB coordinator at either school.

Go Brahmas!
